In accordance with the provisions of the Administrative Procedure Act, R.S. 49:950 et seq., and through the authority granted in R.S. 4:148, notice is hereby given that the Racing Commission formally amends and adopts the Sections listed below under LAC 35:III.Chapter 123. This action has been deemed necessary by the Racing Commission to prevent imminent peril to the public health, safety, and welfare by establishing the administrative rules for minimum standards of facilities and infrastructure investments for racetracks in fulfillment of the Legislature's mandate to the Racing Commission "to encourage forceful and honest statewide control of horse racing for the public health, safety, and welfare by safeguarding the people of this state against corrupt, incompetent, dishonest and unprincipled horse racing practices" and "[t]o institute and maintain a program to encourage and permit development of the business of horse racing with pari-mutual wagering thereon on a higher plane." R.S. 4:141(A)&(A)(1).

All in fulfillment of the Legislature's mandate for the Racing Commission to "institute and maintain a regulatory program for the business of racing horses, which program assures the protection of public health, safety and welfare, vesting with the commission forceful statewide control of horse racing with full powers to prescribe rules and regulations and conditions under which all horse racing is conducted with wagering upon the result thereof with the state." R.S. 4:141(A)(3).

The amendments establish the initial administrative Rule for minimum standards of facilities and infrastructure investments for racetracks in accordance with the provisions established in Act 530 of the 2022 Regular Session of the Louisiana Legislature.
